Travel Escape Club and the Albury North Rotary Club express their gratitude to 80 businesses. Each business generously donated a \$150 voucher as a minor prize for the 2023-24 Travel Escape Club. Please be aware that the grayed-out vouchers have already been claimed by previous winners, resulting in fewer options as we approach the end of the 12 draws. In order to show support to these businesses, we kindly request that voucher winners try to choose a business that has not been previously selected. If you cannot find an available voucher from the list, feel free to choose one of the grayed-out vouchers. For further assistance, please contact our administration at travelescapeclub@outlook.com.
