What's happening this month at RCAN

Rotary
Club of Albury North

Honouring a Life Member of RCAN: This month Neville Cann, a life member of RCAN, attended our meeting with his son in celebration of his 59th anniversary with RCAN. Despite his absence from our regular meetings due to health reasons, Neville remains a cherished member of our Club. Throughout his Rotary journey, he's worn many hats, from being RCAN President twice to serving in various board roles and even as District Governor. Let's not forget his impressive collection of Paul Harris Fellow awards, recognizing his outstanding community service. And Neville informed us he and his wife just hit the 72-year marriage milestone! Hats off to Neville for his incredible Rotary dedication and to him and Dulcie for their enduring love story.

DISTRICT 9790 Conference: A group of RCAN members participated in the District Conference in Shepparton in mid-April. Approximately 350-400 Rotarians from 64 Clubs gathered for the event. The speakers covered a diverse range of topics and were highly impressive. Notably, comedian and actor Shane Jacobsen (known for his role in "Kenny") delivered a hilariously

entertaining comedy act while also touching on the challenges of comedy in a sensitive society. He also emphasised the therapeutic value of laughter and comedy for our mental well-being.

Other club members embarked on a biking journey called 'The Ride to Conference', where members from clubs across the district cycle for two to three days before the conference to raise funds for mental health.

Mental Health Beneficiary UPDATE.

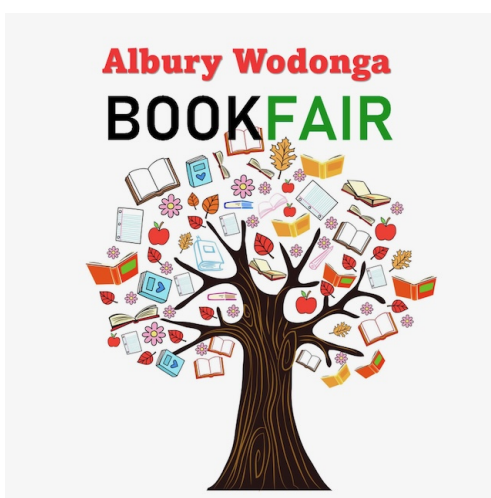

Through funds raised by the Travel Escape Club, we have committed to funding the establishment of an 'Albury North Rotary Club Bursary Program' for border region social work and psychology students.

We have also pledged our support to "Country Hope" to offer psychologist services for families and children facing life-threatening illnesses. Additionally, we are supporting "Carevan" and their "Kids and Cooking" program, which aids in enhancing the mental resilience in children doing it tough.

SAVE THE DATE - June 15th & 16th

The Albury Wodonga Book Fair is quickly approaching. Following the success of last year's inaugural event, this highly anticipated fair is scheduled for June 15th and 16th. It will take place at PCYC - 236 Andrews Street East Albury and will once again feature thousands of books spanning various categories.

Looking forward to seeing you there!
