TEC Season 4 UPDATE...

The TEC time-line and format are being changed. One change we are initiating is to push back the ticket sales to later in the year to avoid the overlap with the current draws.

We were hoping to have everything finalised by the time this newsletter went out, but it now looks likely to be announced next month. Once everything is set in place we'll let you know via the newsletter and post all the details on our website.

One thing is for sure...

when tickets go on sale for Season 4, we will let you know!

The "Hume and Hovell Charity Walk" Is less than a month away!
SAVE the date - April 6th

HUME and HOVELL Charity Walk

Taking place at Table Top Mountain, Gerogory, the Hume & Hovell Charity Walk is scheduled for **9:00am Sunday 6th of April 2025.**

The walk commemorates the visit by Hamilton Hume and William Hovell to Table Top Mountain on Sunday 14th of November 1824. The event was originally planned to coincide with the bicentenary in November 2024, but was cancelled due to inclement weather. It has now been rescheduled for **April 6th** and we hope the weather is kinder to us this time.

GUEST SPEAKER PROGRAM

A really interesting couple of speakers have graced our meetings this month. They included Angela from **Albury Wodonga Health** talking about the services of palliative care. The services now are much more about supporting a patient from the diagnosis stage of a life threatening illness than just caring for a patient in their last days.

Then we were inspired by Jebb & Darren from **"On Country Pathways"** a not for profit organisation, that delivers employment and career pathway programs for Aboriginal and Torres Strait Islander youth across 16 municipalities in NSW. Check their website [HERE](#) and support these guys who are doing an amazing job helping get young indigenous people get into the workforce.
