

THANK YOU

Albury North Rotary Club would like to thank all those businesses who have supported the Travel Escape Club (TEC) raffle over the past three years with the \$150 business vouchers.

Generously donating voucher prizes has contributed to increased net profits from ticket sales. In turn this has greatly benefitted many members of our community, and has played an important role in making this possible 🙏

While TEC brings excitement to ticket purchasers with over 200 prizes already won by lucky TEC members to date, TEC's primary goal is to raise funds for meaningful causes within our community.

With the support from our voucher donation sponsors, major sponsors (Schnelle Partners) and successful ticket sales, we have funded teaching resources for youth suicide prevention in schools, provided ongoing FREE mental health and well-being short courses for the community, funded bursaries for psychology students, and supported families and children facing life-threatening illnesses or difficult situations, among other initiatives.

We are making changes to the structure of TEC in 2025-26 (Season 4):

- Due to some confusion with seasons overlapping, ticket sales and all draws will now take place within a single 12-month period,
- The ticket price adjustment to \$100 means we will be looking for \$100 vouchers from businesses for next TEC season.
- No vouchers will be redeemed until the later part of 2025 therefore anyone promising a voucher won't be asked to provide it until the season starts in October 2025 ending in September 2026.

For past voucher business supporters, we'd be delighted if you saw fit to support us again and for new businesses, we'd love you to join us in this FUNdraising venture.

TEC and Albury North Rotary will continue to support mental health initiatives in our community over the 2025-2026 TEC season and we are also looking at initiatives to address Rotary's advocacy program "Say No to Domestic Violence".

We will continue to promote all businesses who donate vouchers on our website, monthly newsletters and social in return for your support.
