We sincerely thank the businesses providing \$100 vouchers for TEC Season 4. The 2 x Early Bird draws are completed and we are now into our 6 Main draws each month up to September 2026. Minor prize winners can choose a voucher from the following list of businesses. Once selected, a voucher has been taken it will be struck through marking it as no longer available. There's still many great vouchers on offer, but, if the remaining vouchers don't appeal, please contact the TEC admin team by email to enquire about alternatives at - travelescapeclub@outlook.com.
